

Temporary Change to **Branch Services**

We are monitoring the latest news about the coronavirus and are focused on the safety of our customers and employees during this pandemic.

With that in mind, we are limiting banking locations to drive-up services only at all Gratz Bank offices through April 24, 2020. If you have a need that cannot be addressed through the drive-up or electronic services, please call your local branch office so we can accommodate you. Phone numbers for all offices are located on our website.

As always, you have convenient 24/7 access to electronic services such as ATMs, Online Banking, Mobile Banking, and Telephone Banking.
